Hi all. I wanted to see if we could do a quick 5 - 10 minute call to review the programming for 11/28 Pershing Square Update event. I would like to blast out via our channels and ask our key stakeholders to send.

But, more importantly I would like to touch base re speaking program and key items that will be presented. Councilmember wants us to move forward if he attends or not and I'd like to make sure we are on the same page for both scenarios.

Please let me know if you have any time later today.

Thanks.
